Subject: Question regarding Miami Drum Services Superfund status

Hi EPA,

I'm wondering if you have a status update on the Miami Drum Services Superfund site following Hurricane Irma? I saw your Irma Update for Sunday, Sept 10, which mentioned other Superfunds, but I'm specifically curious about this one.

Also: Have EPA personnel visited any Florida Superfund site since Irma struck?

My deadline is end of day today, so a response as soon as possible would be appreciated.

Thanks,
Zoë Schlanger
