Millan, thank you for starting the conversation. Have we decided on an opportunity for a quick call?

Subject: Follow up from your meeting with Administrator Pruitt

Nate,

Good afternoon. I am hopeful this email finds you well. Sarah Greenwalt (copied here, Senior Advisor to the Administrator) and myself might capture some of your time on Monday. The Administrator let us know that he very much enjoyed meeting you a few weeks ago and that he found the meeting to be quite informative and interesting. The Administrator has a trip to Morocco coming up and as we prepare, there are a couple areas in which we would be grateful for the opportunity to get your thoughts.

We look forward to hearing if there is a time on Monday morning that would work for your schedule.

Thank you,

Millan
