PERTH.

Dear Sir,

ASBESTOS SALES (Your No. 79). Birt & Company advise that they could arrange freight to the U.S.A. West Coast, shipping to New York via San Francisco on a through bill of lading.

The rate is \$14.60 per 20 owt, plus 26% surcharge, and the freight is payable in U.S. dollars after arrival.

We understand there is a monthly service, steamers leaving Adelaide, Melbourne and Sydney.

It appears, therefore, that if the American buyers are able to obtain a license, you could send the parcel of books to Sydney and we would arrange to forward it on to New York.

**CORRESPONDENCE.** For your information, we are enclosing a copy of a letter we have written to Wiluna Gold Mines and also a copy of a letter we have written to Triton Mine.

Yours very truly,

Chittenden

pro Managing Director.
