Mr. E.W. Fasig
The Lowe Brothers Company
Dayton, Ohio

Dear Mr. Fasig:

Dr. Kehoe has asked me to reply to your letter of March 7th by advising you that he will be very glad to come up to Dayton to examine your men during the week of March 17th. I should imagine any day after the 19th would be convenient for him. Will you be so good, therefore, as to let him know just what day is most convenient for you and he will then try to suit his plans to yours.

Very truly yours,

RAK:is

Secretary to Dr. Kehoe
