Subject: re-evaluation of flooring removal project
Date: May 9, 1997
Pages: 2, including this cover sheet.

COMMENTS:

The additional insurance requirements are within our normal coverage limits, (with one million dollars of liability coverage), and so no additional costs will be incurred here. From my assessment of the job-site conditions I have concluded that we can live with my original estimate for the flooring removal. We will go forward under the assumption that the start (and finish) date will be June 7, 1997.

Thanks.

Tim
