Harry,

It was a wonderful event and the Secretary was glad to participate. I can do Friday at 8:00 at Greenbury's Coffee Company 1805 E St NW, Washington, DC 20006 (<https://greenberrys.com/e-street>).

Aurelia,

Good Morning,

I hope all is well and that you have thawed out from last Monday, I still don't believe that we were out there in 17 degree weather....However, I do think it was a great turnout and a wonderful event. Thanks again for coming out.

Just wondering if you had time to connect for coffee on next Thursday afternoon or anytime on Friday? If not I can look at some possible dates in February.

Harry,

Due to the lapse in appropriations, I am furloughed and not able to reply to e-mail, voicemails, or conduct any business-related activities or operations. I will hold this meeting on my calendar in case the government is funded. If the government is not funded, you will know why I am not able to respond or do not appear for our meeting. Thank you.
