Neal,

Thank you for reaching out. I've cc'd the head of our Advance Team Kevin Chmielewski. He is best situated to discuss the Australia trip and whether the below opportunity could fit into the schedule.

Are you looking to facilitate a possible meeting or tour while he is in Australia? Any additional details you can provide at this point will help as we plan out the agenda. Kevin, I'll leave it to you or whoever is best to follow-up with Neal on the specifics.

Best,

Mandy
