

the meeting. One of the people who would attend the meeting is from Westland Water District. It has been confirmed that BHFS does not represent the company in this matter (I hope this helps).

Thanks

Subject: [EXTERNAL] TPUD, Westlands Water Meeting Request-Deputy Secretary-Monday, 10/29, Tuesday 10/30

To: Rees, Gareth <gareth_rees@ios.doi.gov>

Gareth:

Greetings. I am reaching out to try and secure a meeting with the Deputy Secretary for Paul Hauser of the Trinity Public Utilities District, Shelley Ostrowski of the Westlands Water District and myself on either Monday, October 29 or Tuesday, October 30 to discuss concerns regarding the Central Valley Project and the CVPIA Restoration Fund Payments.

I have attached here:

- the completed meeting request form (on the “matter” question-I have underlined and made the box red for “b” “*A discrete and identifiable class of persons, such as a regulation or legislation that applies to a specific industry*”-was unable to check that box .
- the one-page TPUD briefer on this issue
- Applicable sections of Public Law 102-575 (“Reclamation Projects Authorization and Adjustment Act of 1992”)
- WAPA Composite Rate Calculation-Using Base Resource Revenue Requirement and Restoration Fund Power Obligation (True Up) (2006-2018) (December 8, 2017).

I appreciate your consideration and assistance. Please let me know if you have any questions.

Many thanks,

Susan
