Aurelia, Virginia and Casey:

Just wanted to update you on the latest happenings with our hydroelectric facilities. FERC Staff issued the "Order Issuing New License" on May 22, 2017. The District filed an "Emergency Motion for Stay" of the Order on May 23, 2017. Both the Order and our filing for the Emergency Motion for Stay are attached for your review.

If you have any questions, feel free to contact me.

Thanks.
