Mr. Don G. Fowler
Secretary
Lead Industries Association, Inc.
222 Madison Avenue
New York 17, New York

Dear Mr. Fowler:

It is with both pride and pleasure that I acknowledge your very kind letter concerning the recent lead symposium presented by the staff of the Kettering Laboratories of the College of Medicine of the University of Cincinnati. I feel sure we have reason to be particularly proud of the contributions they have made, but it is especially satisfying that an important segment of the nations industries which they serve agrees with our appraisal. We will look forward to an opportunity for welcoming you back to the College of Medicine and Cincinnati.

Sincerely,

Clifford G. Grulee, Jr., M.D.
Dean
