Dear Mr. Wheeler:

Re: IBT No. C7299 - Two-Year Chronic Oral
Aroclor 1254, 1242 and 1260 in Beagle Dogs

We are enclosing three copies each of our status summaries dated September 17, 1969, prepared in connection with the above study.

These reports present the results of three months of testing.

Very truly yours,

J. C. Calandra
President

JCC/kjl
