Re: Joseph Succi, Deceased
Dorothy Succi, Widow Claimant
BWC # OD-34780-22

Dear Larry:

Thanks for your prompt reply of November 22, wherein you propose full and final settlement of Mrs. Succi's claim for \$ 60,000.00.

Unfortunately, that amount is unacceptable and to some degree unreasonable. Accordingly, I propose we settle this matter for \$ 30,000.00, which represents roughly three years of death benefits.

I have scheduled a complete file review by a cancer specialist, as recommended by outside legal counsel. I would like to forego the time-consuming job of copying our entire file, preparing a detailed cover letter and then meeting with the doctor as scheduled. I will delay that process in the hopes your client will reconsider her demand. I would appreciate a response by December 15, 1989.

Thanks,
