WHITE LEAD AND ZINC IN O WHITE LEADS.

32
OUR GUARANTEED \$1.000

IS EQUAL TO ANY BRAND OF PURE LEAD MANUFACTURED
EVERY PACKAGE CONTAINS OUR GUARANTEED
AS SHOWN HEREBY.

CAPITOL LEAD.

This mixture is vastly more durable than Pure Lead; it will not "chalk off" like Zinc, when either is used alone. In our experience over forty years, we never found a more satisfactory Paint, for use either inside or outside, in any climate. For the Seashore it has no equal in every desirable quality.

32—Prices given are for 35 pound tins, up to 700 pound packages.
15½ pound tins, ½¢. per pound advance.
