Good Morning:

It was arranged through their housekeeping department. The number for Asilomar is 831-642-4222. If you have trouble confirming it's probably because all arrangements are being made as part of the Shanghai Health Study Annual Meeting (you may want to mention that it is being coordinated by me and through API). Please let me know if you encounter problems. I am in the office today and tomorrow and out for the next week and a half (our youngest son is being bar mitzvah'd). Thanks, Madeleine

Madeleine:

Thanks for the offer to order kosher for us. Is it possible for me to speak with the caterer ? I hate to be a pain, but although glatt is great, we don't eat from some glatt distributors.

Thanks again

Have a good Shabbos

Good Afternoon:

I would be more than happy to order kosher food for you and Mrs. Cagen. The food is glatt kosher and brought in especially and on an individual request basis. We have several people who keep kosher (I'm jewish) so please be assured that the food provided is ok for consumption.

B'Shalom,
Madeleine
