Dear Mr. Secretary:

On behalf of the officers and members of the National Petroleum Council, I extend to you a cordial invitation to participate in the 128th meeting of the Council, which will begin at 9:00 a.m. on Tuesday, December 4, 2018, in the Astor Ballroom of The St. Regis, 923 Sixteenth Street, N.W., Washington, D.C. The Agenda for the meeting will include remarks by Secretary of Energy Rick Perry, and we hope you will also address the membership.

Importantly, the Agenda will feature a report on the supplemental assessment of the Council's 2015 report *Arctic Potential*, providing the NPC's updated views on U.S. regulatory policies relating to offshore Arctic oil and gas exploration and development. A draft copy of the full meeting Agenda is attached for your information. You will note that we have taken the liberty of including, after the Arctic presentation, an opportunity, if you wish, for you to comment on the report and any other matters you might wish to bring to the Council's attention. We have also included a brief time for questions from the Council members. Please note that while the meeting is open to the public and press are present, questions are only accepted from Council members.

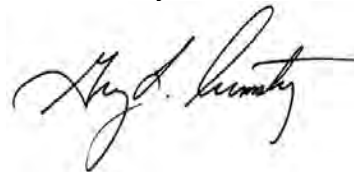

We hope you will also join the Council members at an informal reception on the evening of Monday, December 3, 2018. The reception will also be held in the Astor Ballroom of The St. Regis from 6:00 until 8:00 p.m.
