Dr. R. A. Kehoe.

Attention Dr. Willard Machle.

Dear Dr. Kehoe:

On April 15th our Mr. Newman delivered a sample of tank car scale which was received from the Viking Distributing Company, Clendenin, West Virginia. As we have not heard from you regarding this sample and as the company concerned has requested information covering same, will you kindly advise us the results of your analysis?

Thank you.

Very truly yours,

H. A. MACK.
