Any update? I have had a conversation with my Gov. and let him know my name is in the hat. Ex. 5 - Deliberative Process
Ex. 5 - Deliberative Process ?

Chris

Great hearing your voice
Just wanted to reiterate
The rule we are proposing to improve is National FIP for true minor source oil and gas operations on Indian lands
We will talk to the Governor's office to request changes
Also will get some dates for you re Ex. 6 - Personal Privacy you will like him
Thx
