stead, 18, after eight years of construction of model airplanes has turned out a championship winner that weighs only three-fifths of an ounce. Although the wings have a spanning length of two feet, they weigh less than the wings of a dragon fly. The tiny aircraft remained in the air 8 minutes, 29 seconds.

CALLS PROBE

Otis Babcock, district attorney, has called a special session of the Sacramento Grand Jury to investigate the legislative conduct of California legislators. Alleged practice of legislators using their positions to further interests of clients was under fire.
