Dear Bill:

Thank you for yours of the 6th. We enjoyed your visit enormously and are counting on your return with Dr. Shook next summer.

A more definite (and I hope not too unfavorable) report on Kaylo should be ready for you in a couple of months and we can undoubtedly make recommendations as to further work at that time.

I note your request with regard to a statement on the review of the Patsy Ferrella case. Though this was obviously given far more of our time and attention than is usual, we prefer to handle it as a routine interpretation and make only the customary \$2.50 charge. Under these circumstances, should the bill go to Toledo or to Fairmont?

We will hope to receive some dust samples from the Pacific Grove ^{plant} when they get the equipment necessary to collect them.

Sincerely yours,

MB:AD
