Subject: Fwd: EPA Media Request: Dehumidifier Story

Hi,

I just got Tricia Lynn's out-of-office message. Is there another indoor air quality expert or someone else who might be able to comment on dehumidifiers?

Thanks,
Nicole

Hi Tricia,

I'm a journalist and am reaching out because I'm working on a story about how dehumidifiers can help you in the summer and save you money for [GEICO More](#) (the company's lifestyle blog).

I'd love to feature you as an expert if you're available to comment? Note that before the story goes to press, I would need you to sign a release form.

Please let me know asap and I can send over questions. Thanks!
