Subject: TRI Clarification Rule Coalition Comments and Discussion Request

Dear Lynn and Elissa:

Hope all is going well.

Attached are our coalition comments on EPA's proposed TRI clarification rule, submitted to the docket for your consideration. I am also including our referenced comments from last October's proposed rule adding certain PFAS to the TRI and our joint letter on supplier notification.

Please let me know if you have questions.

Perhaps we can arrange a call during the coming week or so to discuss this and other related issues?

Thanks in advance,

Chuck
