exactly or approximately, if that makes sense. When approximately was that?

A 1975.

Q So in the mid '70s then?

A Yes.

Q You don't think that it was a bad thing that Ford representatives were there, do you?

A No, absolutely not.

MR. IGNATOWSKI: Objection.

THE COURT: Overruled.

A Sorry.

Q And I think you also indicated that it is your recollection today that some of or one or more of the Ford representatives who were there may have actually talked about some of the control measures that they put in place in their 1973 technical bulletin; is that right?

A I believe that is correct.

After the meeting the director of the institute charged me with writing this technical guideline document, interim recommendations in short
