Dear Miss Fortlage:

In accordance with your letter of April 19, I am forwarding herewith the paper by Levine and Fahy referred to in mine of April 17 to Doctor Kehoe.

Because of the fact that this is the only typed copy of the paper, it is being sent by Registered Mail, and I would ask its return in like manner. A stamped return envelope is herewith. Thank you for your co-operation.

Sincerely yours,

A handwritten signature in cursive script, reading "Manfred Bowditch".
