RE: Congoleum Exhibits

Dear Ladd:

Enclosed you will find a copy of an index that I have prepared. My documents are contained in a binder, but I had them copied and separated with blue paper in the documents I supplied to you. If you follow them in order from front to back, the blue paper markers will assist you in making sense of this particular index that I am supplying to you. I have to rely on the Answers to Interrogatories and Requests for Production of Documents, since they were initially prepared by national counsel.

Therefore, with regards to your inquiry as to which of the inquiries each of the documents are responsive, I would have to defer to what is already in writing. If you are not satisfied with what we have put in writing, I can make further inquiries and attempt to clarify things further for you.

Yours truly,

Kevin O. Kadlec
