

1 through 7; correct?

2 A Yes.

3 Q Now, comparing that to Ford's new
4 bulletin in 1983, the numbering and most of
5 the, much of the language from the 1983
6 bulletin tracks current intelligence bulletin
7 No. 5 from 1975, doesn't it?

8 A Where it says, Recommended Interim
9 Procedure?

10 Q Right.

11 A Forward? Let me look.

12 Q Many of the numbered, the language in
13 many of the numbered items either track each
14 other or are, truthfully, are identical to each
15 other.

16 A Let me see.

17 Q And I guess I should say "aren't
18 they?" to make it a question.

19 A Well, there's nine items in the Ford
20 bulletin 83, and there's seven in the NIOSH
21 current intelligent bulletin 5.

22 Q And we can go through them one by one
23 if you want, but I think if you take a second
24 to take a look at them, could you tell me
25 whether or not a lot of the language is pretty
