

## Continued List of Action Points and their status

Note: Deadlines marked in red have the status “still open”. If the action point is finished or responded to it will be marked in the status field indicating your or the MS initials and preferably a date. Additionally, the colour of the action point deadline will be changed to black colour once the action point has been dealt with.

| Concerned MS/ Party           | Task                                                                                                                                                                | Deadline                | Status<br>( <b>still open</b> or if finished please indicate date of finalisation)     |
