Q Good afternoon, Mr. Butler.
A Good afternoon.
Q We have met before?
A Yes.
Q I believe that was at your deposition a couple of months ago?
A Yes, it was.
Q As I understand it, you started the exact same day at the post office with Mr. Wood; is that correct?
A Yes.
Q You both started as garage men drivers?
A Right.
Q I think you indicated that garage men drivers would wash, gas, lubricate, change tires, and park the vehicles; is that right?
A That is correct.
Q Did garage men drivers also have occasion to actually go out on routes from time to time?
A Yes. That is one of the things, if I may explain.
