Steve,

Attached is the response prepared in April 2017 to SO 3349 "Management of Non-Federal Oil and Gas Rights," 81 Fed. Reg. 79948 (Nov. 14, 2016)." that was submitted into DTS on April 24, 2017, and I believe signed by the Directors office on April 25, 2017.

Please let me know if you need anything else.

Thanks
Cynthia

I hate to ask, but I'm working on tracking down where we stand with some past Secretary's Orders. SO 3349 (from last March) (attached) asked the Directors of the National Park Service and Fish and Wildlife Service, respectively, to **review the following rules and report to the Assistant Secretary for Fish and Wildlife and Parks on whether the rule is fully consistent with the President's policy:**

- NPS: "General Provisions and Non-Federal Oil and Gas Rights," 81 Fed. Reg. 77972 (Nov. 4, 2016); and
- **FWS: "Management of Non-Federal Oil and Gas Rights," 81 Fed. Reg. 79948 (Nov. 14, 2016).**

Do you know where that assessment stands?

Thank you very much for your time and help!

Sincerely,
