Looks like we are both free the afternoon of August 8. Does 2 pm work?

Thanks!

The main priority is the Byron/RJ meeting on hardrock CERCLA 108 b with all our members in the hardrock mining space targeting Aug 7 or 8. People are flying in for this one.

Separately Hal was hoping to catch up with SP on the other coal related issues facing that sector, more of a one-on-one. Sorry for any confusion.

Hi Rich - I'm working with scheduling team but there's some confusion if NMA is separately seeking meeting with the Administrator and another meeting with RJ and/or me or just meeting with us. Thanks.

Hi Ryan and Byron,

Hope you are well. Our hardrock companies would like to request a meeting with you in D.C. for Aug. 7 or 8th to discuss the comments filed by the industry on CERCLA 108(b) rulemaking. We are happy to host is here or come your way, we expect many to fly into D.C. for this meeting. Please let me know how best to proceed. Many thanks, Rich
