Dear Ms. Skipwith,

It was nice meeting you yesterday at the HBCUI Leadership & Career Workshop.

I was greatly impressed and touched by the letter you read and I wish more HBCU alumni could have heard your letter and the importance of thinking outside the box. I saw a natural synergy with your letter and the work we do at the NHBCUAA (www.nhbcuaa.com), which I feel can further expand HBCU student engagement and increasing Afro-Americans visiting national parks. The NHBCUAA has developed such training/programs to increase both areas.

When your time permits, I would like to meet with you, to provide you with additional information and developing a possible partnership.

Thank you for your consideration.

Ty
