Mr. R. L. Jordan,  
Ethyl Corporation,  
Chrysler Building,  
New York City 17.

Dear Bob:

I send you herewith a copy of the analytical results obtained on the samples of material forwarded by you a short time ago. These results should have been reported sooner, but in my absence from the Laboratory for some days there was a delay. I have reported these results, together with the results on Eastern Airlines' personnel obtained by Doctor Kitzmiller, to Doctor Edwards. I enclose herewith a copy of my letter to him which I believe will be self explanatory. You will now be aware of the entire situation and can be guided accordingly in your dealings with Mr. Morris or other representatives of Eastern Airlines. In view of Mr. Morris's recent letter transmitted through Mr. Ball, this information should help out in their dealings with their men.

I shall expect to see you when I am in Miami around Christmas time, and if anything comes up in the meantime that I should know about the situation, I shall depend on you to inform me.

Sincerely yours,

Robert A. Kehoe, M. D.
