As requested, thank you so much. Let me know if this covers it. This is just a courtesy call so many of the questions were not applicable. We will work around his schedule on Dec. 5/6.

David -

It has been far too long. We are overdue for a catch up. A close friend and client of mine – very prominent person, co-owner of a major league franchise – Avik Dey is the Global head of Natural Resources (oil and gas) for CPPIB (Canadian Pension Plan Investment Board), the \$300 billion private equity fund that invests Canada's pension fund. Over the past two years alone they have made a number of US\$1 billion plus transactions and plan to invest billions more in the United

States. (see below) He is in town December 5/6. Might you have some time to meet with him? Is there someone who handles your schedule? Do let me know. Many thanks!

They are looking to invest billions more in the US energy sector.

Avik is a fairly accomplished and prominent person in his own right, one of Canada's 40 under 40 and the co-owner of a US Professional sports franchise, the Arizona Coyotes Hockey team:

As always, many thanks and all the best,
