Dr. Edward C. Holmblad,
Managing Director,
American Association of Industrial Physicians and Surgeons,
28 E. Jackson Boulevard,
Chicago 4, Illinois.

Dear Ed:

I shall be at the meeting of the Board of Directors in the late afternoon of May 10, at St. Louis. However, I think it will be impossible for me to be present at the dinner, and therefore I suggest that you do not include me in the dinner reservations. The reason for this is that I have been elected President-elect of the American Industrial Hygiene Association, and it will be necessary for me to be present at their Board Meeting, which convenes at 6:30 on the same day. I will call this conflict to the attention of Mr. Barnes, the secretary of the A.I.H.A., and perhaps a change will be made. However, I think you will realize that in the event of this conflict it will be quite necessary for me to be present at that meeting.

Sincerely yours,

Robert A. Kehoe, M. D.
