Re: Alice L. Warren, Administratrix
v. The Dow Chemical Company, Union Carbide, et al

Dear John, Judy and Mary:

I enclose a copy of a Notice of Taking Deposition addressed to Monsanto Chemical Company, scheduled to take place in St. Louis, Missouri on March 22, 1991. I am sure we will hear more about this deposition before March 22, and I shall let you know as developments occur. It looks like plaintiff is fishing for some evidence of product identification. At least it suggests counsel's awareness of the need to pin down product identification better than has been done thus far.

Best regards.

Very truly yours,

Sharon R. Burger
