Dear Sherri:

At its September 7th meeting, the Executive Board of the Vinyl Institute unanimously agreed to establish a pro-active program to promote vinyl plastics in the following business areas:

- Pipe
- Electrical Materials
(Wire and Cable)
- Packaging

Task forces are to be established in each of these areas to plan, develop and carry-out the pro-active programs. The Packaging Task Force is already operating as the Vinyl Packaging Council and will remain unchanged. In the other two areas, Bill Rading of Occidental Chemical will be the chairman of the new Pipe Task Force and Rick Smith will head the new Electrical Materials Task Force.

I am pleased to inform you that you have been named to be a member of the Pipe Task Force by your company's Executive Board representative, Bob Kelly.

The organizational meeting of the Pipe Task Force will be held on:

Wednesday, October 12, 1988
starting at 9:30 a.m.
at The Vinyl Institute Offices
155 Route 46 West, Wayne Plaza II
Wayne, New Jersey 07470

The meeting will conclude by 4:00 p.m. A working lunch will be served. Please return the enclosed form concerning your attendance as soon as possible, but not later than October 5th. An
