Dear Mary:

Please find enclosed information describing DuPont's telomer-based products manufacturing locations in the United States which are part of the Telomer Research Program *Characterizing Potential Release of PFOA from Telomer-Based Product Manufacture* described in the Voluntary Commitment, Item 3, on page 4 in the 14 March 2003 Letter of Intent submitted to the Agency by the Telomer Research Program of which DuPont is a member. This submission of information is non-CBI. As additional cross-reference, this submission meets the commitment to provide this information to Agency as described in Appendix 5, page 15, March 2003, Item 3., "TRP Commitment Summary" of the Letter of Intent, which describes the specific timeline commitment for submission of information to the Agency.

The locations of the DuPont telomer-based products manufacturing locations in the United States are as follows:

- Chambers Works in Deepwater, New Jersey
- Washington Works in Parkersburg, West Virginia

Please contact me if you have any questions regarding this submission.
