Subject: Re: Thanks

Thanks Doug, I think Bob Arnott may have an interesting idea regarding research and development related to mine cleanups. You might remember Bob, used to have Martha Rudolph's job before Tom Looby, when Tom Vernon ran the department, and served on the aqcc.

I also think I may have a bunch of Audit privilege files going back to enactment of Colorado's statute in 94, and corresponding discussion between the state and EPA.

Stan it was great being at the CMA board meeting and seeing everyone. I've cc'd Patrick on this email so he can share his contact info. I'll also be contacting you early next year so we can come in and discuss abandoned mine issues.
