Re: Alice Warren v. Dow, Union Carbide, et al.

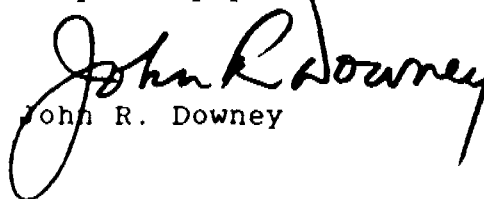

Dear Ms. Burger:

I have attached a copy of "Attachment A", which was part of the original letter of retention sent by me to your firm.

For budgeting purposes relating to the fiscal year 1991, which begins on January 1, 1990 and ends on December 31, 1991, I ask that you estimate your legal expenses and costs. Please total the amount. Apportion if there is a joint defense.

Your estimate must be returned to my office no later than September 10, 1990.

Very truly yours,

John R. Downey
