

1 Q When you were working at the Health Science
2 Center down in Texas you were responsible for all of
3 the environmental issues at that location; isn't that
4 true?

5 A I was involved in protection of the work
6 environment, yes, sir.

7 Q And were you involved in a study of in-place
8 asbestos within the school during that period of time
9 in 1979 and 1980?

10 A No, that was a completely different
11 scenario. Totally different area.

12 Q Okay. Did you have an occasion to be
13 concerned about some in-place asbestos pipecovering in
14 a dental lab while you were working in Texas?

15 A Yes, sir.

16 Q Okay. And where were you? Where was your
17 job then?

18 A That was in the interval after 1982 when we
19 were renovating the dental lab, dental school.

20 Q And while you were renovating the dental
21 school, isn't it a fact that at some point in time you
