

1 Q So that is yes, you were not aware?

2 A That is correct.

3 Q Okay.

4 THE COURT: How much longer do you
5 anticipate your cross-examination?

6 MR. WILLIAMS: It will go after the break,
7 Your Honor.

8 THE COURT: All right, we will go to the
9 break, and we will have Dr. Millette return at 3:00.

10 BY MR. WILLIAMS:

11 Q Dr. Millette, I believe you testified about
12 the site that you testified in this case and you
13 called it a double containment area; is that right?

14 A That is correct.

15 Q The point of that is to make sure that none
16 of the fibers get passed through the two layers of
17 containment, correct?

18 A And also to prevent fibers from the outside
19 from getting in.

20 We wanted to be able to say the activity
21 caused the fibers.
