 SUBJECT Verification of Retiree Status File

REFERENCE

TO Mr. L. H. Estes
 St. Louis, Mo.

Per our telephone conversation of September 11, 1975, I am sending along to you copies of termination records compiled from our files.

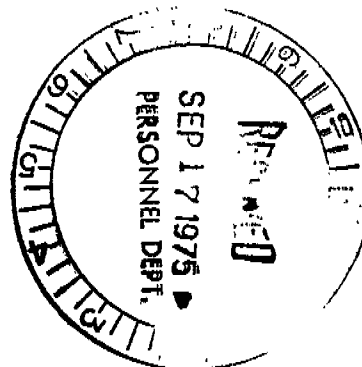

The records include persons who have terminated for any reason since 1962 and are broken down by year.

We are requesting that you verify the present status of all retirees and vested terminees to insure that our records of retiree deaths are accurate.

Please send us the name and date of death on any retiree carried as active on our records and deceased on records maintained by the Pension Section.
