

will be up between all of the rooms. If that still works I will put 2:30 on the calendar. If the rooms need to be open, we will start setting for dinner at 4:30ish. Please let me know what works best.

Hello Millan. I'm going to put you in touch with Edie Fleming, Managing Director of our meetings department. She'll be able to schedule the walk-through.

Edie, Millan would like to arrange a walk-through of the board meeting were SA [redacted] will speak. Is this something you can arrange? He'd also like a contact for resort security. Is the contact still Yvonne Johnstone, KIGR, Director of Safety & Security, Phone: 843-768-2797, Yvonne_johnstone@kiawahresort.com? Please us know.

Thank you.

Best,

Holly,

Good evening to you. Along with SA [REDACTED] and SA [REDACTED] I will be traveling into Kiawah Island on Wednesday November 7th to advance Administrator Pruitt's visit. Could we please arrange for a walk-through of the location where the board meeting will be taking place? Maybe at 2:30pM?

Additionally, could you kindly put us in contact with resort security and/or if you have contracted security, that person as well.

Warm regards,

Millan Hupp
