Re: SPI v. EPA: 1986 Amendments Case and NRDC v. EPA; 1977 Amendments Case

Attached for your information and files is a memorandum received today from Peter de la Cruz on the subject cases.

Because of the short turn-around time on any comments you may have on the brief in the NRDC v. EPA case which must be filed by April 13, I have made arrangements to have a copy of that brief sent directly to each of you for your review. Peter advises me that this may not be ready for circulation by April 3 but that you can expect to see it early in the week of April 6.

If you have any questions on this, please feel free to contact either Meredith or me.
