exciting new colors...and so easy to use!
SUPER KEM-TONE

The DeLuxe Latex-Base Washable Wall Paint

Put exciting new colors on your walls and give your rooms a "life" in beauty. It's easy with SUPER KEM-TONE, the wonderful new latex-base paint you hear so much about. It goes on smoothly with brush or ROLLER-KOATER...dries evenly to a velvet-rich, rubber-tough finish. A gallon is usually enough to paint the walls in the average room, and it's so fast you can have a "new room" in a day. And...after it has "cured" 3 or 4 weeks, it is completely washable!

choose from decorator-approved colors

Arranged by experts in hundreds of color schemes in the Style Guide and Color Companion.

Same colors available in KEM-GLO for your woodwork!
