Can you let me know if we're a 'go' to use this language on our website and in email this week to promote the Secretary's keynote at our Annual Meeting?

Or else, can you connect with someone else who can OK the language?

Thanks.

Hi Joe and Sarah!

Secretary Bernhardt is looking forward to participating at the upcoming WGA meeting in Vail, CO and the speaking time you have proposed will work well with his schedule -- June 10, 2019 at 1:30pm.

Do you mind sharing a draft of the advertisement announcing his participation? We're required to have our legal team review all events/meeting advertisements that includes the Secretary's name. I appreciate your understanding.

Thank you!

Leila

Hi Leila: We're planning our weekly email and website outreach about the Annual Meeting. I am wondering: Do you have a feel for when we can publicize the Secretary's opening day (June 10) remarks on our website and in email?

Do you think we could do that this Friday? As we are about a month out, that would be extremely helpful for our planning.

Thanks for any guidance.
