Troy, we are happy to add Trey to the invite list. Do we need to send him an invite so he will have the time and address for the event? If so please provide us his email address and we will be sure to get him a copy.

Everything appears to be on schedule and we anticipate a great event on Friday. I think that the Secretary and Administrator will find that we have assembled an all-star team from across the southeast. We anticipate 20 in our small group session with an additional 75-100 in the at large general group, all of which have a personal or professional interest in forestry, agricultural and EPA matters. Our goal is to thank the Secretary and Administrator for what they have already done or plan to do and to make them aware of some of the challenges we have facing us.

I want to personally thank you for helping make this all possible. Please know that anything Wanda and I can do for you and your team on the follow-up side of the event we are happy to do so.

Thanks Again,
Earl

Earl and Wanda,

We are very much looking forward to visiting you all on Friday! Could we add Trey Glenn to the list of attendees for the event? Trey is a friend of the Administrator and Secretary Perdue.

Many thanks,

Troy
