**Subject:** Admin. Pruitt to Speak at Williams Board Meeting

John,

Thank you so much for your voicemail last night. The dates of September 26<sup>th</sup> or 27<sup>th</sup> here in DC should work for us but I have copied our Executive Scheduler, Maddy Morris, who will be able to confirm one of those dates. She will also send over a speaking request form for you to kindly fill out.

I'm so glad this is looking like it will come together as the Administrator was hopeful it would.

Please don't hesitate to call with questions.

Warm regards,

Millan Hupp

Morgan,

Thank you so very much for everything. It was a pleasure to work with you and I'm so glad we could participate in the day.

Copying Jahan Wilcox who can help on the media front.

Please don't hesitate to reach out in the future. I'll have to give you a call next time I'm in AZ so I know what to do and see. Really loved the time there even though it was brief!

Warm regards,  
Millan

Hi Millan,

I hope you had safe travels back to D.C.! I just wanted to thank you for helping coordinate everything for your team to come out here on Friday. We absolutely loved having the Administrator speak at our luncheon and participate in a roundtable, our members were so happy, as well as our CEO. You were so accommodating and helpful throughout the whole process, we can't thank you enough for that.

Amy told me that her last day was on Friday - so sad but we feel honored that she spent it with us! That being said, who would be the best person to ask media/social questions? We are wanting to post a couple of thing on social media and just want to make sure that everyone from your team is okay with it!

Hopefully our cross will pass again! Until then, please let me know if you ever need anything from the AZ Chamber and we will gladly help.

Best,
