Dear Deputy Assistant Secretary Skipwith,

I wanted to thank you again for meeting with all of us a week ago today. I know our team at Gibson Dunn has been working closely with you and we are working on providing any information that you need.

While that process is running its course, I wanted to follow up with you on the PGA TOUR's President's Cup event which is taking place this week at Liberty National. As mentioned, we and the PGA TOUR would love to have you and Secretary Zinke as our guests this weekend. There, you can see first-hand the exciting potential our proposed lease/swap holds and what it could mean for the community and the golf course. We do not know how your ethics rules work and of course would not want to create any potential issues for you, so please let us know what information about the tickets you may need from us in order to access your ability to attend. To me, this seems like official business, but please let us know. This is such an exciting event for our country, I sure hope you will be able to join us. As mentioned, President Trump will be there on Sunday sitting the Jay Monahan, Commissioner of the PGA TOUR, and Paul Fireman, the owner of Liberty National.

Once again, thank you for your time and attention to this matter.

All of my best,

Nevins
