Dr. Robert A. Kehoe
The Kettering Laboratory
College of Medicine
University of Cincinnati
Cincinnati, Ohio

Dear Dr. Kehoe:

I am interested in obtaining a copy of your paper "Experimental Inhalation of Lead by Human Subjects" given in Cincinnati on April 23. If you do not have copies for distribution I would appreciate knowing where it will be published so that I may obtain a reprint. If there is any expense involved, I will be glad to defray it.

Thank you for your kindness in this matter.

Very truly yours,

Hugh L. Parker, Director
Industrial Hygiene Division
