Subject: [EXTERNAL] Letter in support of NGM Award

Cynthia – attached is a letter to the Secretary from NMA supporting Nevada Gold Mines, LLC's (NGM) request for reconsideration of the Department of Energy's (DOE) May 29, 2025, termination of NGM's grant award, DOE Award No. DE-CD0000116 (Award), intended to support the deployment of onsite power generation and storage at NGM's mining operations.

NGM is meeting with the DOE Office of Appeals next week, so I wanted to get our letter of support for the project over to DOE.

Best wishes,
Richard
